

Captain Courageous

Music and lyrics by
Tom Opie from The Salvadors

Verse.

We fight a war, fight for the weak,
We battle through life's trenches.
We march on love with loves raw strength.

Together we can change the days
of life without control
We march on love with loves raw strength.

Bridge.

Our little Captain Courageous.

Chorus.

Make us stronger now,
Give us hope some how
Let us fix what is broken.
